## Portland Area Rally **SUCCESS!**

Hello Everyone!

If you missed the Portland Rally, you missed a lot! We learned how to be the best officers we could, and had so much fun! We learned about the Governors Project, SIGN, and showed off the shirt that us Key Clubbers are selling! The idea is that if we sell these really awesome black shirts for 15 dollars a piece, than we can get enough money to build a hospital in Tanzania!! Rally's are a great chance to learn, and to have fun! If you didn't make it to this Rally, think about going to the Seattle Rally, or make sure to go to Portland next year.

# SISTERS ANNUAL RODEO!

LETS GET READY TO RUMBLE!!!

Think Buckaroo Breakfast! Lets help the Sisters Kiwanis and take a two hour slot to sell breakfast! Or take your family to the breakfast on Sunday for a great start to your morning!

- Also the Deschutes County Rodeo Queen Jenna Jacobsen is one of our own Division Key Club Members so come show love at the rodeo!!

# Mount Hood Kiwanis Camp!

**MT. HOOD  
KIWANIS CAMP**

for Children and Adults  
with Disabilities

Are you ready to have an amazing summer? Cause this is the best thing you can do! I did this camp last year for one week, (but you could do a two week stay if you like) and it was the most rewarding thing I have done. You will be spending an amazing time at Mount Hood Kiwanis Camp over near Government Camp in the sun and in nature! You will be making a difference in the life of a camper, and you will grow as a person. Check it out at [MHKC.org](http://MHKC.org)

Also lets not forget that this is a great chance for you to see the camp before Key Leader in October!!

There are so many things you can do on a day to day basis that will change the life of another person. Here is simply one more to add to your to-do list! If you see a soda can, or drink it yourself. Save the can lids!! You can start saving them in water jugs at your school, recycle center, or just save them at home! Why? You can send them to the Ronald McDonald Charities which are the people who host families of children that are in the hospital. The closest ones are here in Bend, and Portland, or you can send them to KENYA! Lets make a difference today by saving your can lids!!

Hey Key Club Officers, Advisors, and Kiwanis! Don't forget to do your best to make it to my DCM's (Division Council Meetings) The June 20th one is at Redmond from 4-6pm at Izzys Pizza!

Defeat is not the worst of failures.

Not to have tried is the true failure.

Also I'm thinking we should all do a float the river day and I'm thinking that because June 21st is the hottest day of the year and my DCM is that night, that it might be a great chance to have fun with no strings attached! Let me know what your thoughts are!!!
