Kiwanis Gets Jazzed

Jody Henderson and the Sisters High School varsity Jazz band gave Sisters Kiwanians and a double Interclub from the Lincoln City Kiwanis Club a taste of jazz varieties and student talent at the April 19 meeting, held in the SHS band room. Breakfast was served by Key Club Adviser Kristi Rawls and some of her members

Henderson's band performed some of the numbers being prepared for the Reno Jazz Festival held the last weekend in April, where the group placed second in competition with similar-sized high schools from throughout the west. (The eight member SHS Jazz Combo placed first among 18 jazz ensembles in their category at the festival.) Jody then talked of the role of jazz, an extra-curricular activity, in the already crowded high school music program, and answered questions from the floor.

The Lincoln City guests were impressed with what they heard. One commented that they had visited twenty-some Kiwanis clubs promoting their raffle-type fund raiser, and "this was the best program we have heard." Well-deserved high praise for Jody Henderson and his students!

President's Corner

By J.T. Taylor

First, thanks to all of the candidates running for offices and committee chair positions. I can't believe that my term as president is half over.

We have a lot of projects coming up. The Golf Tournament is our largest fund raiser and it is great to see almost every active Kiwanian in the club signed up for a position

The Buckaroo Breakfast follows and the committee has revamped the way we will serve the breakfast. We have cleaned and updated stoves and equipment at the Rodeo grounds.

We can never give enough thanks to our Food Bank volunteers, especially Naomi and Sue. What a great job we do in the Food Bank.

Thank you very much for your work.

Former Mayor of Sisters, was at the Kiwanis Meeting to receive the Everyday hero award.

Al's Back

By Tom Worcester

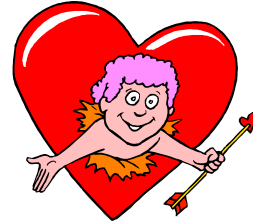

It's a good thing Al Boyette appeared well-rested when he showed up at the April 26 after "snow-birding" in California part of the winter. Lots of committees were looking for Al's name on the various sign-up sheets being circulated, perhaps stressing the usual "getting home" pressure. Let's hope Fran continues to be understanding!

The Objectives of Kiwanis

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social, business, and professional standards.

To develop, by precepts and example, a more intelligent, aggressive, and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good will.

The mission of **Sisters Kiwanis** is "*Service to the community with an emphasis on youth.*"
