Ray's Food Place/Kiwanis

Golf Tournament a Super Success!

"Bigger and better than ever..." were words used by quite a few folks to describe this year's Ray's Food Place / Kiwanis Golf Tournament at Aspen Lakes. Raising a record net total of over \$21,500 for the Ray's Food Place and Kiwanis Foundations, the tourney ensured funds will be available to support many of local charities in the coming year. "Each year the tournament has grown and this year was no exception," said Jeff McDonald, the event chairperson.

In all, 240 golfers split into morning and afternoon flights, attacking the links with unusual vigor in a foursome shotgun scramble start. Maybe it was the cool and downright breezy early summer morning and the views of the Sisters-area mountains snagging clouds that kept the spring in their step. Golfers arrived from all over the Northwest ready for a great day and they weren't disappointed.

Players competed for over \$3,000 in prize money and

Rodeo Parade/Buckaroo Breakfast

The Rodeo Parade and Buckaroo Breakfast are only a few days away. Are you a rodeo fan? Or do you just like a good hearty breakfast? Be sure to come out between 7 am and 11 am this Sunday at the Sisters Rodeo grounds and get your fill while supporting your local charities.

"Serving the children of the World"

Twenty-six members of the Sisters Community Church re-painted the Kiwanis House, placed bark around trees and shrubs and resurrected the Food Bank sign during the event on May 23rd. Led by Pastor Paul Rawlins, these folks showed us what community spirit and giving back mean. Be sure to thank the folks listed below when you see them, they did an outstanding job!

SHS Vocal Ensemble Performs at Disney's Carnation Theatre

Courtesy of the Key Communicator

The Sisters High School Vocal Jazz Ensemble performed for a live audience at Disney's Carnation Theatre on Sunday, May 3. The group was told by the Disney Production Manager that it pulled in record crowds and the Disney staff was very impressed by that, as well as the students' great stage presence and singing.

The following day the ensemble participated in a 90-minute workshop with Disney Vocal Coach and Musical Director, Brett Simmons, who is responsible for the key musical productions happening at Disneyland. He was very impressed with the students' ability to learn two

songs in just 90 minutes.

Once the first song was learned, they recorded the track and it was placed into a trailer (advertisement/preview short) for Disney's "Lilo and Stitch" movie. A second song was also

recorded for "The Lion King" trailer. The students had an absolute ball doing this workshop

and expressed that they would have opted to stay in the recording studio all day over going on rides.

High accolades were received from all of the Disney represen-

tatives regarding the students' behavior, performance and singing abilities.

Choir teacher Michelle Summers says, "We hope to make this an annual event, and plan to use this as a major recruiting tool to bring more kids into choir. Since the choir has NEVER done anything close to this magnitude of an event, we believe we are finally 'on the map'!" Congratulations to these talented singers for their accomplishment!

Golf Tournament Results

Continued from Page 1 ...over \$6,000 in raffle prizes. Prizes went to the top 4 foursomes in each flight, longest drive, and closest to the pin winners. A unique contest, "Bet a Birdie," made its debut. Players had a shot at one of five holes on the 15th green and could double their money if they made a birdie using any one of the five holes. In its inaugural run, Bet a Birdie earned over \$800.

In addition to the 80 volunteers that helped make things click and everyone feel welcome, major contributions from Kraft-Nabisco, Columbia Distributing, Oroweat, Pepsi Cola-Bend and Aspen Lakes Golf Course made for a tasty and thirst-free outing.

The tournament has been running since 1990 according to Kiwanis historian Warren Seaward, when it was played at Black Butte Ranch. Since then, the tourney has been played at Eagle Crest, River's Edge in Bend and a few other locations before finally settling back in Sisters Country at Aspen Lakes 2 years ago.

Reflecting on the successful effort, McDonald credited the outstanding support of vendors and volunteers. "They come back year after year because they know one hundred percent of the proceeds stay local," said McDonald.

The tourney and this past weekend's Buckaroo Breakfast are two of three major fundraisers held each year to support local charities; the third is the holiday See's Candy sales. In May alone, more than \$16,000 was dispersed through Sisters Kiwanis in the form scholarships to graduating SHS

seniors and grants/gifts to local charities such as FAN, Head Start, Saving Grace, SMART, and Think Again Parents. This year's proceeds will once again benefit many in Sisters and bring even more folks out to support a good cause next year.

Our Purpose and Mission:

Kiwanis is an organization for men and women who want to improve their communities through participation in service projects of *LOCAL*, national and international importance. In all programs, participation is the key word for service by members. Weekly business meetings include presentations on a variety of interesting topics. In its three-decade history, Sisters Kiwanis has been involved in the development and support of many community organizations, including Scouts, Campfire, Little League, organized soccer, Habitat for Humanity, and Sisters Park and Recreation District (formerly SOAR) to name just a few. In addition, Kiwanis volunteers maintain and staff the community food bank, which provides emergency food boxes for less fortunate citizens in the area. Kiwanis also has provided park-type benches throughout the city, and built a playground apparatus at the main city park in Sisters. The organization was a major contributor to the city's new ball field complex. Individual Kiwanis members have had leadership roles in many civic and cultural organizations in Sisters, helping provide continuity in the growth of the community through the Kiwanis motto, "Service to the community with an emphasis on youth".
