Christmas Food Share

by Dave Huni

What I will remember about this year's Food Share is surely what brings back volunteers in number year after year. It wasn't the donuts (sorry Sisters Bakery), it wasn't the opportunity to take lots of photos (sorry Siskiwan readers), it wasn't the workout I got from moving over 800 bags of groceries...it was exactly what the doctor truly ordered--the pure joy of being able to help another human and make a real difference in their life, even if just for a day or two. When Dave Hiller asked me to deliver orders to folks without transportation,

it was a blessing in disguise. I will forever remember the hug of relief I got from a woman whose holiday we had made by our efforts. Having recently lost her job, her home, and everything that mattered to her except her dog, we showed her Sisters cared.

Hats off to all who made the Food Share, Furry Friends, and Fire Dept. Toy Drive the miracle they are.

SEE'S CANDIES SALE BEATS PROJECTION

See's Candy Sales were SOLD OUT as of December 22. Final sales were around \$21,000 in 2010 versus \$19,000+ for 2009.

As a result, we netted over \$6,000. A HUGE thanks to Jack McGilvary for shepherding us through the operation on a daily basis!!!

THE GREAT SNOWBIRD UPDATE 2011

Greetings from the Sacramento area where the temperatures are in the high 50s. I'm enjoying helping 6 year-old Elizabeth with her homework and watching 2 year-old Joey's fascination with big trucks and fire engines. They will LOVE their fire engine ride in Sisters this summer. Happy New Year everybody!! ~ **Susan Windell**

Hello Dave, and all my fellow Kiwanians,

Good to hear from you. We keep up to speed as much as we can with your great Siskiwan and with The Nugget newspaper, which is also available on line. We also get visitors from Sisters now and then.

We miss our friends in Sisters, but enjoy our friends down here. We love Sisters, but we love warm weather too. The perfect temperature to me is 78 Degrees F. Thats it. And it seems we are on an eternal quest to find that perfect temperature. Sisters in the summer and Cathedral City in the winter is as close to that ideal as we can get and not totally break our "piggy bank".

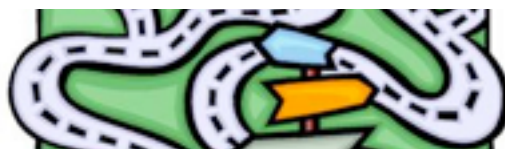

The weather hasn't been as good this year. Lots of rain. We often get heavy rain when you get heavy snow, brought on by the same weather system as it sweeps across the entire West Coast. Even so, I've managed to get in some good golf.

Speaking of golf, I want to relate a most humbling experience that happened to me on the golf course. As I was going to tee off on the 4th hole at nearby Cimarron Springs Golf Course here in Cathedral City, a coyote came trotting across the course about 50 feet in front of me. I stopped and yelled at him. He stopped, stared at me, and then continued to stare at me as he hunkered down and made a sizable deposit on the course right in front of me. Then, he just trotted off without another glance at me! I think he sent me a message, don't you? I'm just not sure what the message was, but it must have something to do with his opinion of my golf skills!

We will be back in Sisters in mid May. I'm already preparing for a big fine for missing so many meetings. 'til then, ~ **AL**

BLASTS FROM THE PAST

CHRISTMAS FOOD SHARE HELPS CHEER FAMILIES FOR CHRISTMAS

Christmas Food Share was a big success. Barbara Johnson reported that 130 families were aided by 60 volunteers who put in 462 hours. The Camp Sherman/ Sisters Fire Department provided a great deal of help organizing and distributing food. Even the pets got their share of goodies for the season. Other members of the community joined them and the club in the effort.

Serving Vital Needs

April 7, 2005

Even though Sisters is a small community, like the big cities, we often don't know many of our neighbors. For those in our community who are "down on their luck" for one reason or another, the **Kiwanis Food Bank** serves as a safety net.

In cooperation with **COCAN** and other agencies in Sisters and the county, **Kiwanians** have stepped forward to help out with basic food necessities. The **Sisters club** manages the collection and distribution of food stuffs that have been collected from churches and other institutions close to home. Some of the largest contributors of food are the **Sisters Community Church** which follows the **St. Edward the Martyr Catholic Church**. Perishable items such as meat, eggs and bread have to be purchased locally. **Ray's Food Place** has given generously to help others in need.

The **Food Bank** is under the direction of **Glenn Keeran** who organizes the activities and volunteers. Last year 32 Kiwanians gave 963 hours of their time led by **Naomi Rowe** who piled up an impressive 122 hours. In 2004, they distributed almost \$53,000 worth of food to 2400 people. This included 264 children aged 5 and under.

Buckaroo Breakfast Brings Big Bucks!

Thanks to the members who worked so hard on the Buckaroo Breakfast, \$3200 was raised and rodeo guests enjoyed a great meal. Below are some scenes from the event.

KIWANIS HOUSE UPDATE

Jim Smith suggested at the December 2nd meeting that we should consider decorating the KHouse with lights for the Holidays. A hat was passed to raise money for the lights, Jim mobilized some volunteers and our little KHouse got all dressed up for the holiday.

Thanks to Jim and all his little elves!!!

NO SHORTAGE OF SPIRIT

Top: Earl Armbruster gets the club psyched about the upcoming BCS National Championship Game between the Oregon Ducks and Auburn Tigers a week before the game

Reports are not yet in from the folks who travelled to Glendale, AZ to witness the Championship game. For those of us stuck in frozen Oregon, the game was an emotional roller coaster and the outcome, a deflating end to an otherwise brilliant season...

Here's Chip and the Team for their effort!

Our Purpose and Mission:

Kiwanis is an organization for men and women who want to improve their communities through participation in service projects of LOCAL, national and international importance. In all programs, participation is the key word for service by members. Weekly business meetings include presentations on a variety of interesting topics. In its three-decade history, Sisters Kiwanis has been involved in the development and support of many community organizations, including Scouts, Campfire, Little League, organized soccer, Habitat for Humanity, and Sisters Park and Recreation District (formerly SOAR) to name just a few. In addition, Kiwanis volunteers maintain and staff the community food bank, which provides emergency food boxes for less fortunate citizens in the area. Kiwanis also has provided park-type benches throughout the city, and built a playground apparatus at the main city park in Sisters. The organization was a major contributor to the city's new ball field complex. Individual Kiwanis members have had leadership roles in many civic and cultural organizations in Sisters, helping provide continuity in the growth of the community through the Kiwanis motto, "Service to the community with an emphasis on youth."
